The Court House
Arlington, Virginia

Dear Judge Hosmer:

STATINTL

[redacted] an employee of this Agency, has been summoned for jury duty in your court on 22 October 1957. In my letter of this date concerning [redacted], I outlined the principles followed by this Agency in determining whether or not to request that an employee be excused from jury service. Application of those same principles has led me to make such a request on behalf of [redacted].

Although [redacted] has expressed his complete willingness to serve, we cannot but recognize that his presence is of the greatest value to the national security. He is a key man of one of the most urgent and important projects of this Agency. Not only would [redacted] be personally missed because of his capabilities should he be required to serve, but the extreme sensitivity of his assignment would make timely replacement of him most difficult. For these reasons it is requested that you excuse [redacted] from jury duty.

STATINTL

Sincerely,

Signed
